

Overseeding Agreement

Overseeding and aeration are a great way to improve the appearance of your lawn, especially if it has thin and/or bare spots. We use premium certified seed to get the best results. It is important to note that our selection of only the highest quality certified seed must be ordered three months prior to the service being performed.

Due to the turnaround time for ordering seed, if seed is ordered for your service and you decide to cancel the service, we are required to charge you for the cost of the seed. If the service is canceled, you will be charged for the seed that was purchased but not used. Your signature below indicates that you understand this agreement.

At Tifway Lawn, we take pride in helping you develop your lawn to fulfill its full potential and beauty. We appreciate the opportunity and the trust you have placed in Tifway Lawn.

By signing below, I understand I will still be responsible for \$_____ if I were to cancel the overseeding service.
